

THE OSU INDUSTRY EXPLORATION PROGRAM PRESENTS

Careers Outside the Academy: Networking and Resumes

A Workshop for OSU Postdocs and Graduate Students

We invite postdocs and graduate students to join us for a career development workshop, where representatives from OSU and local industries will discuss career options and planning. This workshop will also include focused round-table sessions where participants can receive valuable feedback on on resume writing, networking skills, and self-presentation.

Space is limited, so register soon!
